Yes – go ahead and share the instructions. I have more instructions to send regarding using the mobile apps if they are on a phone. Are all these people going to want access to the Gold King Mine map? Typhoon Soudelor?

Hi Cheryl,

I logged in. There may be several others in the ORA who would like to have access. Can I forward your email?

Hi Jessica,

Please log in to the EPA Geoplatform so that you can be given access to the emergency response geoviewers and mobile apps.

1. Go to: <https://epa.maps.arcgis.com/home/signin.html>
2. Select this option and sign in with your LAN ID and password:

3. Once you've successfully logged in, reply to this email so I can add you to the groups for access.

Thank you,

Cheryl
